TNS

There are coffee breaks and coffee breaks . . . but this? Still, every man to his own taste and the coffee tastes just as good to B.C. Telephone cable splicer Owen Worden from a Vancouver manhole as it would from a restaurant counter. Besides, those cars rushing by provide a changing scene for the 15-minute break.

New Lac La Biche - Vilna Road Far From Being Completed

Travellers to Lac la Biche will be hitting the dusty trail for some time to come. Funds for reconstruction of Highway 46 past Abee will have to be approved at the next sitting of the legislature. Paving of the road appears to be still in the distant future.

Meanwhile, it is doubtful if the new road from Lac la Biche to a few miles west of Vilna, will be completed by next year. Construction has progressed some miles past Beaver River. When finished, it will mean a 42-mile stretch of gravel before hitting paved Highway 28.

Until Lac la Biche travellers can bypass rough and dusty 46, motorists will have to go via Boyle and Grassland.

A Thorhild car dealer was killed on this highway several weeks ago while attempting to pass another vehicle.

It appears that 46 will be reconstructed via Grassland and Atmore, and that the Boyle-Caslan-Hylo-Venice road to Lac la Biche will remain a district road.

AURORA THEATRE

LAC LA BICHE Alta.

Showtime: Monday through Friday, 8:30 p.m.; Saturday at 2:30, 7:00 and 9:15 p.m.

No. 2 Wheat In LLB Area

LAC LA BICHE—John Hackman, agent for UGG reports that some of the wheat of this year's harvest is grading No. 2 Northern. He estimates that 65 per cent of wheat is harvested.

Clover and grass seed is also of a high grade this year.

The study of conflicting opinion is necessary to the discovery of truth.

Philomena School—Mr. J. O'Shea.

Temporary Accommodations For High School

LAC LA BICHE — School opened Tuesday and classes will be held in various places until the new school is built to replace the Dr. Swift High School destroyed by fire in June. The library room in the Town Office building will be used for one class and a section of the School Division offices will house another.

The remaining high school students will be accommodated in the gymnasium, where temporary partitions have been erected. The Women's Institute Library has moved to temporary quarters in the school division warehouse west of the Hayward's Lumber Co.

Progress toward building a new high school is disappointingly slow, but the local Board are doing all in their power too get the job under way before cold weather sets in.

1st Licence Renewals Soon Due

The Alberta Department of Highways is making preparations to send out over a half million driver licence renewal forms beginning in December.

The five-year licences which were first issued in 1957 expire next year. Russell Tait, deputy registrar of operators, said the number of drivers has been increasing ten per cent per year and is now close to 600,000.

Tait said the renewal forms will be sent out a month in advance of the operator's birthday. Those whose birthday falls in January will get their application forms early in December.

The government does not intend to require each applicant to take a driver's test before he gets the new licence. Tait said the department will carry on with the present system of examining first applicants, those suspended by the court and those over 70 years of age. At present there is a backlog of 15,000 examinations.

Some people have the idea that you can accomplish anything if you just organize an association.

MISS BETTY MAE PUE, a member of Sun Publishing's advertising staff, is taking a leave of absence this week to take a four-year course in journalism at the Oklahoma Baptist University. She recently completed a year's studies at the Baptist Leadership Training Institute at Calgary.

VICTORIA SOROCHAN

Lac la Biche Girl In Queen Contest

Sports highlight of the year at the RCAF's Pinetree Radar site at Parent, about 300 miles north of Montreal is the annual Summer Carnival. With more than 200 servicemen, their families and residents of the nearby community taking part, the event is a gala affair. Included in the activities is a competition for "Carnival Queen" and one of the contestants is Airwoman Victoria Sorochan daughter of Mr. and Mrs. Pete Sorochan of Lac la Biche, Alta.

Educated at Swift School of Lac la Biche, Airwoman Sorochan joined the RCAF in August 1958 and has been stationed at Parent since October 1960.

Rev. Zubritsky Takes Up Charge

The Lac la Biche and District Ukrainian Orthodox Church announces that Rev. Homenko has left and Rev. Peter Zubritsky, who is well known among the Ukrainian community, has returned to take charge.

Rev. Homenko will be taking up residence in Winnipeg. Rev. Zubritsky, who pastored the church here for several years, leaving in 1956, comes to Lac la Biche from Ituna, Sask.

A farewell for Mr. and Mrs. Homenko was held in the church August 18th, with a large crowd representing the various outlying churches present.

Lac la Biche Fires Halted By Snow

Eight to 10 inches of snow in the Lac la Biche forestry division Saturday extinguished the only two fires burning in the area. Both were under control at the time.

Forestry officials report the overall fire hazard is "quite low" with four fires still burning in the Peace River area, one in Slave Lake and one each in Edson and Rocky Mountain House. All are under control.

Early Morning Blaze Completely Destroys Atmore Hotel Building

ATMORE — An early morning fire has completely destroyed the hotel building here. The hotel, operated by Ronnie Mathison, also housed a coffee shop and licensed premises.

Bar tender, Arthur Boulounger, his wife, who runs the coffee shop, and their daughter were asleep in their rooms at the back of the shop when the fire broke out around 3:30 a.m. By the time smoke awakened Mrs. Boulounger, the fire was quite far advanced.

Equipment could not be obtained from Lac la Biche in time to save any of the structure. The family had been the only occupants of the building.

Cause of the fire, believed to have started in the back part of the hotel rooms, has not been made known. Fire authorities are conducting an investigation.

10,000 Attend Golden Jubilee

Athabasca's Fiftieth Birthday A Tremendous Success

Ten thousand people packed Athabasca on Labor Day to share in the river town's day-long golden jubilee celebrations. Warmed by the pleasantly sunny weather and infected by a gay carnival mood, the huge crowd made it a memorable climax for the months of planning and preparation.

People started gathering very early and in the morning Klondyke high-jinks, entertainment for the children, and motion pictures provided gaiety. An historical parade started afternoon proceedings followed by the official opening of the town's community centre.

Many government and business dignitaries helped celebrate the birthday.

Hon. E. W. Hinman, Alberta provincial treasurer, accompanied by Hon. R. D. Jorgenson, Alberta's minister of welfare, headed the government party.

Mr. Hinman officially opened the town's community centre. This structure was started several years ago and, as funds were made available, was enlarged until now it serves multiple purposes for the town and its residents.

Representatives of the Canadian National Railways also attended. The railway firm provided many hours of unmatched entertainment for the children and adults, too, by shipping to Athabasca an old rebuilt steam locomotive.

Spotted on a railway spur line, the old engine, glistening with new paint, was a centre of attraction for hundreds who inspected every inch of its structure.

The pioneers of the town and its large district also played a leading role in the celebration. They were honored in the community centre following its official opening. Approximately 100 old timers, residents of the town and district for 50 years or more, were paid tribute by Mayor David Hunter, Mr. Hinman, members of the Legislative Assembly and town officials. All received certificates at a ceremony held in the spacious auditorium of the new centre.

Hundreds of persons also crowded through two rooms in the community centre and viewed hundreds of historical objects used by the early settlers. Late afternoon, one of the busiest places was the curling rink area as a huge barbecue was conducted.

A beard contest, free films supplied by the Canadian National Railways, a dance and fireworks at night also added to the day's enjoyment with members of the Princess Patricia Canadian Light Infantry band and the Strathcona Legion Pipe Band supplying music for concerts throughout the afternoon.

An historical drama in pageant form, "The Athabasca Story," placed a crown of success on months of planning as the program continued throughout the evening. More than 4,000 persons swarmed over a river's edge campsite to watch a picturesque and entertaining review of the river town's 50-year history.

There was no artificial scenery. None was necessary as the setting was on a high bank of a great curve in the river bed. John Havard, a well-known Edmonton author and director, wrote the story. He wrote it well and the presentation was exceptional.

The music combined well with the story of the river and the pople who settled the immediate Athabasca district. Recorded on tape the sound was near perfect and the performances by 350 persons of the Athabasca district left little to be desired.

While the natural setting provided scenery and backdrop for the presentation of the colorful story, it proved inadequate to comfortably seat the unexpected large crowd. Many persons could not gain a good view of the scenes.

"I never thought I'd live to see such a day," said one old timer as festivities drew to a close late at night. And perhaps this adequately conveys the wonderful success of Athabasca's 50th birthday party.

Lac la Biche Mission

Esthel and Therese Bourque from Edmonton recently visited their parents. Mr. and Mrs. Usher were also visiting Mr. and Mrs. Henry Bourque.

Mr. and Mrs. Pamarleau and their daughter from Edmonton came visiting at the home of Mr. and Mrs. L. Bourget.

Jeanne and Cecile Bouvier from Calgary are visiting Mrs. K. Bouvier.

Mr. and Mrs. Alex Belcourt from Edmonton are fishing in the district.

Rev. Sister St. Gatieu has returned from Whitecourt where she was teaching catechism to 150 children. She will be teaching at the Mission school this year for high grades. The school opened on Sept. 5.

Mrs. Marcel Tremblay had an accident recently when she broke a leg and hip. She was taken to the Edmonton General hospital by ambulance.

Maxime Ladouceur died from a heart attack at Caslan on Aug. 21. The funeral service was held here with Rev. Father Picotte celebrating mass. Pallbearers were Gerard Tremblay, Sam Desjarlais, Narcisse Ladouceur, George Larouceur, and Ephram St. Clair.

Mr. Forcade from Edmonton is in the district building a summer cottage. He did his schooling at the Mission here.

Norma Ladouceur has been in the district working for her grandparents.

Statisticians are not the only men interested in figures.

Organization Of Official School District Discussed

On Sept. 1, some 35 to 40 residents of the Lac la Biche Mission district attended an informal meeting in the Mission school in view of discussing the organization of an official school district in this area which up to the present day had been served by the Academie St. Joseph, a private school owned by the church and operated by the Fathers and Sisters of the Mission since 1905.

As Fr. Romeo Levert, OMI, Director of the Mission who acted as chairman explained at the opening of the meeting, a time has come when the Mission is no longer in a position to be able to operate a free school. The solution appears to be in the erection of a regularly constituted School District thus abling the Mission School to benefit from the grants alloted to regular Public Schools of the Province by the Alberta Government.

But first, Fr. Levert had extended on this own behalf and in the behalf of his parishioners a cordial welcome to the Deputy Minister of Education, Mr. W. H. Swift who had made it a point to travel all the way from Edmonton in a not too clement weather as was to be here for the occasion. Mr. Swift was asked by the chairman to give us his views and those of his department on the said question of School District erection.

First the Deputy Minister introduced the new Supervisor of Schools for this area, Mr. Torgunrud who was also honoring us with his presence. Then Dr. Swift proceeded to give us in well chosen words a very clear picture of the schooling situation at the Mission together with the views of the Department of Education on the subject of the erection of School Districts with applications to the projected Lac la Biche Mission District.

It does not matter so much, said the distinguished speaker, if all the formalities of the erection of a school district has not been followed here to-night. What really counts at the present time is getting the sincere opinion of all those concerned.

In fact the situation at Lac la Biche Mission as far as schooling is concerned is an unusual one in our Province. You are surrounded, he said, by regularly erected School Districts such as those of Lac la Biche, Old Trail, Nelson, Dionne, Bouvier, etc. all of which have been included in the Lac la Biche School Division. You have here a piece of land along the lake divided in River Lots which comprises what would be about 13 sections in the Townships area. But no School District has been organized thereon as yet. The education of the children of this area has up to now been well taken care of by the Mission itself. It comprises two groups. The first is that of the children boarding at the Convent and comprises children from different parts of the Province have been left in the care of the Mission personnel by their parents for one reason or other and as Fr. Levert has pointed out earlier many of them are orphans of at least one parent. Then there is the group of day scholars who are children whose parents reside in the district and attend school at the Mission. This year the latter are in a greater number.

The question to discuss to-night said Dr. Swift, is whether a School District officially constituted should be formed in this area to provide educational service to the community. If a District is constituted this will mean that there would be a change in responsibilities, that from now on the School will be managed by a School Board duly elected instead of by the Mission Staff as previously.

If a District is erected there is the question whether it should be joined to the Division or be erected independently. Normally a district is joined to a Division, and such is the usual policy of the Department of Education. But as I pointed earlier, the situation here at the Mission is different from others. You already have a school. a Mission operated concern. If the District is joined to the Division you may continue to operate as a distinct School. But there is also the possibility that at sometime in the future the Division Board decide that the pupils of the Mission District should be taken to either the Lac la Biche or Plamondon School for their schooling That would leave the Mission with the alternative of keeping up the classrooms solely for their boarders or transporting them by bus to Lac la Biche or Plamondon for classroom attendance.

After a few more explanations on the subject and inviting all present not to hesitate to ask any question they might have on the subject, Dr. Swift resumed his chair to the warm applause of his audience. In their name the Rev. Chairman thanked the eminent speaker for his clear and frank expose of the situation and added a few words of his own stating that the Mission had always strived to furnish the children of the community with a good education and that without any other remuneration than the voluntary $10.00 contribution of a few and the small grant received from the Department of Education under the name Aid to Mission Schools. He then also thanked Fr. C. Kindervater, Executive Director of the Alberta Catholic School Trustees Association for the moral support of his presence there that night and his appreciated advices.

There followed a question and discussion period. The explanations of the Deputy Minister had been so concise and clear that indeed very few questions arose but those that were put to him clearly showed that his listeners had been really attentive and had been taking a keen interest in the proceedings. When these had been dealt with to the satisfaction of the questioners and no more arose, Dr. Swift put before the assembly the question to be decided that is: Should the Lac la Biche Mission District be erected in a regular School District and if erected should it be included in the Lac la Biche School Division or remain independent. The question need not be decided tonight, he said, it could be put off till another meeting. But all present agreed in the decision that they were ready to give their opinion then and there.

At the suggestion of Mr. Torgunrud a ten minutes recess in which to discuss the question among themselves was accorded to the participants before coming to a vote. The meeting was then resumed and it was decided that the vote be by a show of hands. The questions were then put forth by the Chairman. To the two questions "Who are in favour of the Erection of a School District? Who are in favour of having this District Independent of the Division?" all but one of the members of the meeting voted affirmatively. To the question "Who are against" not a single hand was raised, making it thereby clear that the almost unanimous opinion of the residents of the District was for the erection of an Independent School District on the Lac la Biche Mission Territory.

In consequence Dr. Swift announced that another meeting of the Mission residents liable to assessment would be called soon under the presidency of Mr. Torgunrud to proceed to the Erection of the proposed district and the election of its first School Board. Fr. Levert again thanked Dr. Swift for all he had done and the members of the meeting for their wonderful cooperation.

The meeting then closed with the singing of the Anthem God Save the Queen and the recitation of Our Lord's Prayer.

THE Homemaker

By BERTHA M. McCUTCHEON

B. McCutcheon

Blueberries and cranberries have been quite plentiful in many areas. Combined in equal portions they make a very tasty jam which jells without pectin and is quickly prepared. Blueberry pie and muffins are a tasty treat. Here is a less well-known dessert:

BLUEBERRY BETTY

¼ cup butter
½ cup sugar
1 egg
1 cup flour
1½ teaspoons baking powder
¼ teaspoon salt
2 cups blueberries
⅓ cup milk
½ cup sugar
⅓ cup flour
½ teaspoon cinnamon
4 tablespoons butter

Method: Cream the butter, add ½ cup sugar and cream well. Add the well-beaten egg. Sift the flour, baking powder and salt and add alternately to the first mixture with the milk. Pour into a well-greased, square cake pan and cover with the blueberries which have been picked over, washed and well drained.

Mix the ½ cup sugar remaining, ⅓ cup flour and cinnamon. Rub the 4 tablespoons of butter into this with the finger tips and sprinkle the mixture over the berries. Bake in a moderate, 375 degrees F. oven for about 45 minutes. Serve with plain cream or with a hard sauce.

Engagement

SHIRLEY KLEM AUGUST BRIDE

ELLSCOTT—At a ceremony performed in the Ukrainian Greek Catholic church, Prosperity, Shirley Irene, daughter of Mr. and Mrs. Mike Klem of Ellscott, became the bride of Mr. George Opryshko, son of Mr. and Mrs. John Opryshko of Prosperity.

The bride was attended by three bridesmaids, Miss Olga Opryshko, Miss Eleanor Prushko and her sister, Miss Grace Klem.

Best men were Mr. Alec Sheremeta, Mr. John Kytz and the groom's brother, Mr. Peter Opryshko. A wedding reception and dance were held in Ellscott Hall.

Mr. and Mrs. George Opryshko will reside in Edmonton.

Ellscott

A surprise birthday party in honor of Mrs. Steve Rapaich, was held at her home recently. Mrs. Rapaich was presented with an electric toaster by ladies present.

Mrs. John Cutrell and Mrs. John Kowal flew to Vancouver recently to attend the wedding of Miss Joan Clarkson and Robert Boychuk, on Sept. 2.

Mr. and Mrs. Ewald Litke of Manola and Mr. and Mrs. Ian Wessenberg of Mystery Lake were recent week-end visitors at the home of Mr. and Mrs. Alec Harmata.

Fred Burke and Fred Jr. of Edmonton spent a short holiday with Mr. and Mrs. R. Seifridt.

Mr. and Mrs. Julian Wlos are the proud parents of a baby daughter, born to them on Thursday, Aug. 31 at the Athabasca hospital.

Mrs. C. Krysko enjoyed a short visit with relatives and friends in Edmonton recently.

Kenneth Madden is now home to help with the harvest.

After narrowly escaping serious injury in a car accident on Saturday, Aug. 19, George Rosich was given treatment for minor injuries in the Westlock hospital and is now home recuperating.

Mr. and Mrs. Joseph Yanow and family of Edmonton spent a recent weekend with Mr. and Mrs. Walter Yanow.

Miss Wilma Miller of Edmonton holidayed with Mr. and Mrs. John Good.

Reunion Dinner For Lund Family

A family reunion dinner was held at the home of Mr. and Mrs. John S. Lund Sunday of last week. There were 24 members of the family, nine of whom were grandchildren.

The insistent barking of the little dog drew the attention of Mr. and Mrs. Trueman Lund. They discovered a bob cat perched on the limb of a tree in their yard. Mr. Lund shot the cat. Though thought to be a young one, the cat measured some three feet from the tip of the nose to the tail.

Holy Eucharist For Children

BOYLE — Sunday of last week was children's Holy Eucharist at St. Paul's Anglican Church. The children of the church took part in the preparation of the communion.

Rev. Allan Meakin instructed the children on the different parts of the service. John Hautmann of Tivoli, New York, was acolyte.

HOLIDAY FASHIONS

Butcher: "Shall I dress the turkey for you madam?"

Mrs. Newed: "No, because there's no telling what they may be wearing two days from now, and I wouldn't want it to be out of style."

Tom Maccagno, Annette Favennec Pledge Vows In Plamondon Church

PLAMONDON — Before a main altar banked with white gladioli and blue ribbon, wedding vows were pledged here by Miss Annette Marie Favennec and Mr. Tom Maccagno in a late August ceremony. Side altars and the registry table of St. Isidore Church were banked with sweetpeas. White bells and bows lined the church pews.

Rev. Father Croteau of Plamondon conducted the ceremony for the daughter of Mr. and Mrs. Francois Favennec of Gourin and the son of Mr. and Mrs. M. Maccagno of Lac la Biche. Mrs. R. Genoud accompanied the church choir to provide the wedding music.

Given in marriage by her father, the bride chose a floor-length gown of white organza, styled with an empire waistline and full skirt. Lily-point sleeves complemented the scalloped neckline. The lace appliqued skirt was gathered into a bustle back.

The elbow-length bridal veil of illusion net was held in place with a pearl and rhinestone crown. Her bouquet was of red roses.

Attending the bride, Miss Rita Maccagno, Miss Irene Weibel, Miss Aline Gaucher and Miss Sylvia Gaucher wore identical street-length dresses of French blue organza. They were styled with fitted bodice, full skirts accented by lace cummerbunds and short sleeves with ruffled cuffs.

They carried white roses and white carnation bouquets. Their French blue headpieces were fashioned with star shaped rhinestone clasps and held circular veils.

Best man to the groom was Mr. Allan Southwick of Athabasca. Other male attendants were Mr. Armand Favennec, Mr. Hugh Maccagno and Mr. John Maccagno. Ushers were Mr. Joseph Bonifacio and Mr. Albert Ulliac.

For her daughter's wedding, Mrs. Favennec chose a Dior blue silk sheath dress with short jacket and white accessories. Her corsage was of pink roses. Mother of the groom, Mrs. Maccagno wore a powder blue afternoon silk organza over taffeta dress with white accessories. She also wore pink roses en corsage.

Miss Marie Maccagno was flower girl for her new sister-in-law. She wore a blue organza frock and carried a basket of white daisies and blue forget-me-nots. Her headpiece was of white daisies and veiling. Master Ronald Ulliac, nephew of the bride, was ring bearer.

Master Michael Maccagno, brother, and Master Kenny Bonifacio, cousin of the groom, were altar boys.

A four-layer wedding cake banked by baskets of flowers centred the bride's table for the reception dinner at Pelican Hotel, Plamondon. A supper and dance was later held for 500 guests in the Memorial Hall, Lac la Biche.

Messages of congratulations and best wishes were received from Rev. Father J. McGrane, Edmonton; Mr. and Mrs. F. McMillan, Salt Lake City; Mr. and Mrs. R. Rizzoli, Teslin, Yukon Territory; Mr. S. Hamilton, Mensdes, California; Mr. and Mrs. M. Moncrieff, Vermilion; and Mr. and Mrs. Dempson Cross, McMurray.

For a wedding trip to Jasper, Yoho and Banff National Parks, the bride chose a white woollen suit with pin roses en corsage. Mr. and Mrs. Maccagno will make their home in Edmonton.

Out-of-town guests included Mr. and Mrs. Yves Calvez, Mr. and Mrs. Guy Joulin, Mr. and Mrs. George Maninier, Miss Sophie Klychuk, Mr. and Mrs. Andre Dechene and family, Mr. and Mrs. Leo Lemieux and Miss Lorraine Lemieux, Mr. and Mrs. M. Negro and Miss Mary Negro, Mr. and Mrs. Dino Avenati and girls, Christina and Teresa, Mr. and Mrs. Wilf Dunn, Mr. and Mrs. Otto Michette and Mr. and Mrs. John Moisey, of Edmonton; Mrs. B. A. Robinson and Miss Dandra Robinson and Mr. and Mrs. Rene Dewanat of St. Albert; Mr. and Mrs. W. J. Badry, Forestburg; Mr. and Mrs. Leo Waine, St. Lina; Mr. and Mrs. Sid Lore, Mr. and Mrs. Steve Odynak, Mr. Roland Vincent and Mr. Roger Langevin, Edmonton.

Can America Maintain Peace:

Khruschev Says "We Will Bury You"

Senator **Nelson S. Dilworth** in an address delivered at the Kiwanis Club of San Diego on the occasion of their entertainment as guests, the Members of the San Diego Chapter of the California Society of the Sons of the American Revolution.

If it is necessary to fight Communist infiltration in Lebanon, why not in America? If it is necessary to fight Communists in Quemoy and Matsu, why not resist and expose them in America now, while yet we can?

But you ask me, how is America going to stop the Communist world conspiracy short of war? Students of history believe Hitler could have been stopped if the nations had realistically faced up to his announced intentions in time.

And what are the Communist intentions? They have been proclaimed countless times by books, speeches, pamphlets, radio and periodicals. They are driving for a world dictatorship. A dictatorship of the proletariat they say, meaning dictatorship by the power-mad, self-appointed conspirators in the Kremlin. The Communist official who in person directed the slaughter of 15,000,000 blonde, freedom-loving Ukrainian peasant men, women and children has publicly boasted speaking to the American people that "some day we will bury you."

It is probably true that the majority of the Russian people want peace. Most common people do. But have they the power to keep the leaders of their dictatorship within peaceful objectives?

Only Khrushchev and the Politburo can put names on the Russian election ballots. The peace-loving people are not permitted to place the name of a candidate of their own for governmental office on the ballot, beside the Communist Party names.

The greatest assurance of world peace that I can think of would be for the Russian people to obtain this right to place their own candidates' names on their election ballots and then have a secret vote in an election where they were free to vote as they chose without fear of Krushchev's secret police and terrorism.

I know of no other way to restrain Khrushchev's insane lust for world power and domination.

And how shall we stand against Khrushchev's intent to bury us? First by truthful and honest national policy with a helpful friendly hand extended to all other national leaders who exhibit good will and who value freedom among men.

Second by a national and popular return to trust in Almighty God and His commands of righteous living and devotion to service of our fellow men. National and ecclesiastical recognition of God is good but not enough. It must be a widespread and heartfelt turning to God and His Bible by our God-fearing people individually, by families, and communities as well as in churches and religious groups. We must preserve our faith as a people and as a nation in the Almighty God, our Creator. No other defense against Communism is as powerful and as universal in effect.

Then having taken our stand on truth and goodwill and acknowledging our dependence on God, we must be strong, strong militarily, strong economically, strong in the spirit of service to others, strong in our faith in God.

We must rekindle the fires of patriotism and service in the hearts of our youth, our adults and our aged. There is a duty for all. I warn you that patriotism, like everything else, has to be taught and to be taught effectively it has to permeate all of our school books and it has to be lived sincerely by both parent and teacher.

Just winning court cases for your clients isn't good enough if you're not a legally registered lawyer, restaurant owner Alex Woods found out. Woods, of Millbrook, Ont., got into the habit of helping out neighbors with their law cases, winning more than 50 of 100 cases. This angered the Law Society of Ontario, who charged him with acting as a lawyer without legal qualifications. Case is now before the courts and Woods—you guessed it—is defending himself.

"Cooking Corner"

Tested recipes and meal planning ideas prepared for readers by the Home Service Department of Northwestern Utilities Limited.

HOT BREADS

Hot breads take less time to turn out than you might think. Just pick a starter from the large array of ready-baked breads or rolls or refrigerated biscuits your supermarket offers. Then dress it up with a few added ingredients and in a very few minutes you'll have a piping hot accompaniment for main dishes, soups or salads.

BARBECUE BUNS

1 pkg. hamburger buns
Melted butter
Dry shredded green onion

Arrange buns, split in half, cut side up, on cooky sheet. Brush with melted butter; sprinkle with shredded onion. (Look for this new product at the spice and herb section in your supermarket.) Bake in a hot gas oven (400 degs. F.) about 10 minutes, or until hot and lightly browned.

JIM-JAM RING

1 pkg. refrigerated biscuits, plain or buttermilk
Strawberry or peach preserves

Separate biscuits and place in single layer in greased 9" pie plate. Press down centre of each with thumb to make a well; spoon preserves into each well to fill. Bake in very hot gas oven (450 degs. F.) 8 to 10 minutes, or until golden. Break apart while hot to enjoy with tea or coffee.

SURE CRIME CURE

LONDON—The chairman of the Middlesex Sessions has a unique way of dealing with youthful criminals.

The Daily Sketch said Hon. Ewan Montagu was in favor of having boys brought before him spanked with their pants off by policewomen.

Montagu said his three-point plan would include:

—Spanking by a lady police officer with a hair brush.

—A photograph should be taken of the punishment.

—The picture should be exhibited in every cafe and bar within one mile of the police station.

"I am certain that this would kill half the juvenile crime in the country at once," the Sketch reported Montagu as saying.
